PET-FRIENDLY HOTEL ETIQUETTE

Dear Guests,

we kindly ask you to observe the following rules in order to guarantee to all guest and your four-legged friends a pleasant holiday.

- We ask our kind guests to always keep their four-legged friend **on a leash**.
- The whole hotel area is not prepared for animals' needs (including the territorial marking).
- In **front of the hotel**, you will find a **large square** for a short walk, while in the immediate surroundings there is a variety of **beautiful paths** where you can take your dog for a walk **in the nature**.
- Our four-legged friends have **access** to the **Bistro54**, the **Gold Bar** and **part of the lawn** in front of the outdoor pool (assuming good behavior).
- Unfortunately, it is not allowed to entry to the other hotel's areas with your dog.
- Only if your dogs do not bark because of your absence, you can leave them alone in the room, otherwise it will be necessary to organize to ensure the presence of someone (the reception staff is available to contact and organize a **dog sitter service**).
- It is absolutely **forbidden** to let dogs on beds, armchairs, chairs and other furnishings; in the room you will find a **comfortable bed** for your four-legged friend
- If your pets cause **excessive disorder** or dirty the room, a **supplement** may be required.
- **Pet owners assume full responsibility for damage caused by the animal.**

Thank you for your cooperation!
